

## ROUND BALER (SRB 60 Plus)

## Compact & Reliable

Wider Pickup for More Coverage

Single Click lubrication system

Suitable for Stalks and Straw

Saves Labour, Time and Money

World's Largest Manufacturer of Rotary Tiller

# ROUND BALER

## (SRB 60 Plus)

### Light Weight Gear Box

- Lower rate of heating due to Durable Aluminum Body gear box
- Longer duration of operation with less maintenance cost
- Ease of assembly with the help of coupler shaft during field operation

### Heavy Duty & Wider Pickup

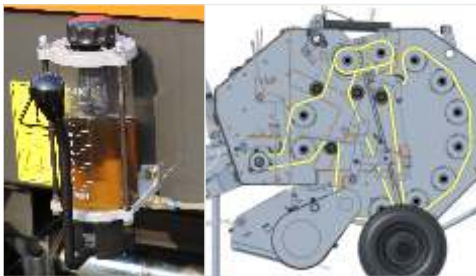

- 4 Bar & 64 tines pickup gives better clean field
- Safety Slip clutch for pickup for avoid over feeding and further part damages
- Pickup height can be adjusted through mechanical linkage

### Heavy Duty Hydraulic Cylinder

- Heavy duty hydraulic cylinder to withstand heavy load
- Safety lock for door maintenance
- Long-lasting life with leakage proof operation
- Flow control valve for gate adjustment

### Single Click Lubrication System

- Single click lubrication system can lubricates in three chain, Yellow highlighted as shown in image
- Ease of operability during field operation

### 3 Level Bale Density Control

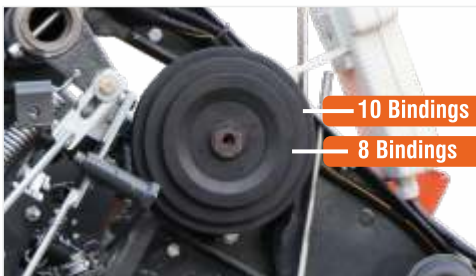

- Bale density can be controlled at low, medium & high level
- Equipped with density indicator

### Digital Remote Control

- Hydraulic bale ejection and bale count can be easily monitored and controlled from operator seat

### Auto Binding System

- Auto binding system with 8-10 twine winding.
- Compatible with PP & Jute Twine
- Easy routing of Twine

### Parking Stand with 3-Point Linkage

- Stationary stand helps to avoid accident and hold the machine on any type of the field condition
- Height adjustable parking stand for easily hitching with tractor

### Adjustable wheel track with transport safety

- 70 mm adjustable wheel track ranging from 1590 mm to 1660 mm for all field conditions
- Grease-less bearing gives longer wheel life
- Reflex reflector for road transport during night operation for safety purpose
